every modest woman.

serviceable. Have you investigated the remarkable bar-  
gains we're giving in plaid goods? Reductions are deci-  
sive, and with the exception of three pieces that are  
slightly wrinkled, as described below, the goods are re-  
duced in spite of their merit, and not because of any im-  
perfection:

### CITIZENS' MASS MEETING

Nominate Candidates For Council-  
men, Two From Each of the  
Six Wards—No Choice  
For Mayor

Last night's mass meeting of non-partisan  
citizens at the Courthouse to choose candidates  
for members of the City Council and to discuss  
municipal issues was one of the best attended  
seen in the old building for some time. There  
were at least 800 voters present.

Hon. E. L. Worthington presided over the  
meeting and Mr. Pearce Browning was the  
Secretary.

After many speeches and a general dis-  
cussion of the matter of nominating a citizen's  
candidate for Mayor, the question was settled  
in the negative by a rising vote, which was at  
least four to one against naming a Mayorality  
candidate. The Committees were divided;  
three were in favor of Thomas A. Davis, 2 for  
Mayor Stallen and 1 for J. Wesley Lee, but the  
Mayorality proposition was set upon by such a  
decisive vote that the Chair said there was  
nothing doing as to the head of the ticket.

The Committees reported the following as  
the Citizens candidates for Councilmen, two  
from each of the six Wards, to-wit:

First Ward—Frank H. Clarke, James C. Ralor,  
Second Ward—W. W. McVaine, Dr. J. R.  
Cooper.

Third Ward—J. C. Everett, Frank Devine,  
Fourth Ward—A. H. Thompson, Dr. Samuel  
R. Harover.

Fifth Ward—Thomas P. Boyce, James Childs,  
Sixth Ward—M. A. Wallingford, Dr. J. T.  
Strode.

When Chairman Worthington's little hammer  
rapped out "adjourned," everybody was happy  
and the Councilmanic goose high.

The meeting was a perfect love feast and  
harmony was lying around in great chunks as  
big as the N. Pole.

shores of eternity. It was thought that he was  
fatally injured, but he fooled the doctors and  
all others who saw his senseless form lying  
under the trestle after being struck by a mogni  
engine and train of cars.

### Mason Circuit Court.

The fall term of the Mason Circuit Court con-

it cured 98%. By Dr. Leonhardt's order, Hem-  
Roid is sold under an iron-clad guarantee.

### Surprising Conditions — A City Where Gray-Haired People Ridicule the Oster Theory

We learn that a carload of the Q-Ban Hair Restorer and Tonic was bought by one firm of retail druggists in Omaha City. Evidently the gray heads and those people possessing this straggly hair living in Omaha City are commencing to realize that the advantage of preserving a youthful appearance is not to be lightly disregarded. Dr. Oster's theory may be wrong, but nevertheless, many men have failed to secure positions that otherwise they might have secured but for the gray hairs that announced the approach of loss of energy and youth. Who makes the best impression on the employer seeking help—the man with gray hair, or the man with a youthful head of hair? The use of Q-Ban Hair Restorer can make some people look as if twenty years had been rolled back for them.

We publish below a testimonial, that came unsolicited; the writer testifies to the fact that a two-weeks' course restored the few gray hairs he had to the original color. If Q-Ban Hair Restorer does not do these things for you after using six bottles, your money will be refunded by the druggist of whom you buy the preparation. We claim for the Hair Tonic that it will keep your scalp in a healthy condition and will increase the length of the hair at least three inches per year until the limit of growth has been reached.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it.

For sale at all druggists.

## COZY HOMES

OF YOUR OWN.

When you stop to think of the many pleasant gatherings you can have in a home of your own, can't you see the time you are wasting in a boarding-house, where nothing is or can be just as you want it? Half the joy of living is in associating with your friends—going to their homes and having them come to yours. What can you do in this way if you occupy a stuffy room in a boarding-house? How can you entertain your friends as they entertain you? Besides, it is so easy to

GET THE LITTLE HOME ACCORDING TO OUR PLAN

that you have absolutely no valid excuse for not having one. You can't consistently postpone your wedding from month to month and use as your excuse that you can't afford to give your sweetheart a home. That's all nonsense. You can give her a home tomorrow, and it won't embarrass you a bit financially. You can give her a home on the salary you are earning today. If you really want the girl, and want the home, there is nothing that stands in your way. We can tell you of a number of homes that we have created for young people, and they are as happy as they can be. Come in and let us tell you all about it and show you the cozy little homes we can make from \$75 upwards.

The universal opinion is that Dr. Cook must scientifically prove that he has located the North Pole before any historic credence can be given his claim.

Here is one case: Ernest H. Staley, East Second street, Vanceburg, Ky., says:

"I use Doan's Kidney Pills occasionally and can say that they never fail to give me prompt relief. I suffered from frequent spells of lumbago and at such times my kidneys became sluggish. An old gentleman finally recommended Doan's Kidney Pills to me and he spoke so highly of them that I procured a box and began their use. They were satisfactory in every respect and gave me the best of results. I always keep Doan's Kidney Pills on hand in case of any recurrence of my trouble."

### A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the hair is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Detective Jack Bingham of the C. and O. was seriously injured at Thurmond, W. Va., a few days ago. In jumping from a moving freight train when a collision seemed imminent, he was caught between two cars and his side and shoulders terribly crushed.

Mrs. Thomas Valentine of East Second street is visiting her parents, Mr. and Mrs. P. J. Arnold of Marshall Station.

According to a recent ruling of the Court of Appeals in Iowa, a telephone subscriber may, when he is not pleased with the service he gets, "cuss" the operator with impunity. In this particular case a subscriber "swore" at a young woman operator at central whose celerity did not please him, and his phone was cut out by the company. He remonstrated and the company told him that if he would promise to be a gentleman and not use bad language he might have a phone. He refused to make any pledge and took the case to Court, where he did not have to deny the bad language or make any pledge. Phone companies were in business to supply phones, and not to dictate the quality of the language used over them, ruled the Court.

Maysville 9—Covington 8

One of the sloughest games of ball witnessed at the Park this season was pulled off yesterday afternoon, resulting in a score of 9 to 8 in favor of the Maysville team. There was some good playing, but such another hunch of rotten playing on both sides was funny. The Covington team started to quit at 5 minutes of 4, but the train passed and they hiked back and finished the game. In the early part of the game, Ashby Burgoine, son of Mr. and Mrs. Frank Burgoine, was struck on the breast by a liner foul ball and knocked unconscious. He came around, however, o. k. There were several other minor mishaps, and when the teams were not making a bunch of errors, they were knocking foul balls, and the sphere was lost for a good part of the time.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; likewise out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.
